

# GET READY TO MASTER CALCULUS: MESA MASTERMIND!

MASTERMIND (MATHEMATICS APPLYING SCIENCE, TECHNOLOGY, ENGINEERING'S RELATIONSHIPS, MATERIALS, INSTRUCTION, NUMERACY, DELIVERY)

## PROGRAM OVERVIEW

Join us for 5 free and interactive sessions on Saturdays. This Fall program helps students build a solid understanding of algebraic and precalculus concepts, preparing them for challenges of calculus and beyond.

**MESA MASTERMIND** is for USC STEM majors **affiliated** with one or more of the **following programs**:

- Former JBS and Continuing MESA U undergrads
- MESA College Prep Alum
- Bovard Scholars Alum
- MESA Community College Alum
- USC TRiO Alum
- NAI Alum

## PROGRAM BENEFITS:

- Personalized Practice with **ALEKS** an online math learning program
- **MATLAB**® Labs for real-world problems
- Interactive **Visualizations** of math concepts
- **STEM** Career Boost

RECOMMENDED FOR **USC**  
STUDENTS PREPARING FOR OR  
TAKING CALCULUS.
