

# MEET OUR MATH PEER MENTORS!

**KAITLYN ARREOLA**  
Freshman • Aerospace  
Engineering

I was born and raised in LA and know a lot of hidden gems in the area. I look forward to help you all succeed in your math-related endeavors.

**Fun fact:** I love piercings.

**ARSALAN GHOGARI**  
Junior • Computer  
Science/Business Administration  
I'm from Mumbai, India! I'm involved in USG as the Communication Department's Director of Digital Strategy & the Thematic Option Honors Program.

**Fun Fact:** I go cycling every Saturday in Santa Monica!

**ERICA WILLIAMS**  
Sophomore • Industrial & Systems  
Engineering

On campus, I'm involved in 180 Degrees Consulting, NSBE, and Theta Tau. I look forward to supporting everyone in their math endeavors and creating a safe space for all students!

**Fun fact:** Recently, I've been getting into going to concerts!

**ABHINAV GUPTA**  
Senior • Computer Science and  
Cognitive Science

I am originally from New Delhi, India, and I have been living in California for the past five years. I do research at GLAMOR Lab and the Interaction Lab.

**Fun fact:** I love experimenting in the kitchen, even though I almost always manage to burn my hand while cooking.
