QUANTUM COLLABORATIVE  
RESEARCH CORPS

## EQUIPT 2026

### Experimental Quantum Internship Program & Training at LPS Qubit Collaboratory

**Program Details:** 10-week, intensive hands-on training for undergraduate students in science & engineering

**Locations:** LPS and UMD campus, state-of-the-art facilities for solid-state quantum computing

Quantum Hardware Prototyping

Quantum Hardware Fabrication

Coherent Qubit Control

Data Analysis & Visualization

**Program Dates:** June 1, 2026 - August 14, 2026

**Stipend:** \$10,000 for the duration of the program + Benefits

See the eligibility rules before applying

### Collaborators

Applications are now Open!  
Deadline March 30<sup>th</sup>, 2026
